Auto Carpet Protection Film

Auto Carpet Protection Film is a multi-layer heavy duty with DEALER MUST REMOVE printing and perforation. High tact acrylic adhesive specially formulated to adhere well to synthetic fiber carpets. It won't slip under foot or disintegrate when wet. Every 8.5" or 15.5" or 24" teal perforated to yield 8.5"x24, 15.5"x24" or 24"x24" mats. The perforation at certain distance makes it can be torn off by hand to square size suitable for vehicles easily. Customization is accepted. Just protect vehicles from unwanted mud, filth, dust, paint, etc. Can be used at auto dealer, car wash & detailing, corner service station, used car business, remodeling, painting, household cleaning.

Auto Carpet film is your best choice for easy job and perfect protection

- Easy Application, easy removal
- Perfect for protecting carpeting during demos, transport, or maintenance to give used cars a "new car" look and feel.
- Simple: just roll it out, tear off a sheet and apply.
- protect against scratch, dirty, stains, paints, etc, keep your carpet fresh after removal
- One 600' roll protects the floorboards of up to 180 cars for well under a dollar each car.
- Long lasting: Rated for 60 days of usage - twice as long as the leading automotive carpet protection.

Auto Carpet film is available to distributors at distributor pricing. Please contact us for further information.
