Crash/Collision Wrap Film

Crash/Collision Wrap is a flexible and strong self adhesive 3mil or 4mil plastic sheeting product that is used to wrap crashed vehicles to protect them from losing parts/ cracked glass during transport. Crash/Collision Plastic Wrap keeps the weather out.

Crash Plastic Wrap is the collision wreck wrap/ film of choice.

- The wrapped vehicle won't lose the film during towing. Great adhesive strength!
- Openings that are sealed with our Crash Plastic Wrap will keep out rain, snow, dust, and wind.
- Dependable and durable. Stocked in 2 and 3 mil. 5 mil can be ordered.
- Puncture resistant plastic wrap has UV inhibitors.
- UV resistant. You can leave it on for 180 days.
- Leaves no adhesive transfer on any surface it it adhered to (molding, paint, aluminum, etc)
- Clear in color

Crash Plastic Wrap is also available in 5 mil, 24" x 200' and 30' x 200'. Please call for pricing.

Crash Plastic Wrap is available to distributors at distributor pricing. Please contact us for further information.
